

WORKSHOP ON QUALITY CONTROL IN LABORATORY

Department Of Biochemistry
&
Bio Rad

Presents

Aviator Program

1 Day Workshop on Quality Control in
Laboratory

Sree Gokulam Medical College
and Research Foundation

16th February 2023

Thursday

Venue: Lecture Theater, near Gastroenterology
Department.

Time : 8.30 am – 4.00 pm

Bio-Rad, through its Aviator program aims at introducing quality control to Post graduate students so that they are better prepared for the challenges in lab. Once they join their first job, they will be well-oriented in terms of what to do. In other words, like aviators, they are ready to fly without any hiccups.

Contents Covered:

1. Basic concept of Quality Control
2. Internal Quality Control
3. External Quality Control
4. Common problems and troubleshooting
5. Educational and reference resources

Program Schedule

Time	Topic
8.30am – 9.00 am	Registration
9.00am – 9.30 am	Inauguration
9:30am-10:00 am	Introduction to Bio-Rad/Aviator Program
10:00-11:00 am	Pre-analytical Quality
11:00-11:30am	Tea Break
11:30-1:00 pm	Internal Quality Control
1:00pm-2:00 pm	Lunch
2pm -3 pm	External Quality Control
3pm-4pm	Quality Resources and further steps
