GRADCON 2023 organised by Sree Gokulam Medical College & GG Hospital in association with IRIA Kerala Chapter & ISIVR will stand out as a unique conference. For the first time, we had a conference dedicated to IR with didactic lectures, case discussions and hands on workshops. More than 200 delegates turned out and the interactive sessions were just exemplary. Hundreds of oral papers and many e-posters that were evaluated shows the high academic standards of our Residents. The conference Hall by the sea provided a serene background to the high quality academics.

IRIA Kerala would like to thank the Organising team of Dr N Roy, Dr Harikumar Nair, Dr Reshmi CP, Dr Arun Mohan, Dr Vijayakumar and Dr Praveen Keshav. Dr K K Manojan, Vice Chairman of Sree Gokulam Medical College and Dr Sheeja Mohanan, the Director of GG Hospital deserve special appreciation for their support encouragement and all out patronage. As IRIA battles turf erosion on a war footing, it's so heartening that the members are convinced and charged up to take this challenge forward.

Dr Amel Antony
President, IRIA Kerala Chapter
