

Glimpses of December 1, 2023: Sree Gokulam Group Events

On December 1, 2023, the Sree Gokulam Group experienced a transformative day marked by exceptional programs and the launch of innovative initiatives. The venue for these activities was the Sree Gokulam Medical College in Venjaramoodu.

Unveiling of the statue of Sree Narayana Guru

The inaugural event involved the unveiling of the statue of Sree Narayana Guru at the medical college, a ceremony presided over by the esteemed Chairman, Sree Gokulam Gopalan. The inaugural proceedings commenced with the

unveiling of the statue of Sree Narayana Guru at the medical college, a momentous occasion presided over by the esteemed Chairman, Sree Gokulam Gopalan. The ceremony garnered substantial engagement from a diverse and enthusiastic crowd. The program unfolded with the unveiling of the statue and proceeded with a sequence of events, including a prayer, the chanting of Dhaivadasakom, a floral tribute ceremony (pushparchana), and the symbolic lighting of the lamp. The meticulous arrangement of these activities added a ceremonial and spiritual dimension to the event, fostering a sense of unity and reverence among the participants.

Inauguration of Gokulam Bueno

The inauguration of Gokulam Bueno marked a significant milestone in the innovative endeavors of the Gokulam Group, unveiling a distinctive business initiative that aims to redefine care for newborns and infants. The formal ceremony commenced at 10 AM, capturing the essence of this pioneering venture. What made the occasion particularly special was the gracious presence of the oldest resident mother from the geriatric care center associated with Sree Gokulam Medical College. Her participation symbolized the intergenerational connection, underscoring the importance of care across different stages of life. The wisdom and experience she brought to the event added a unique touch, emphasizing the

holistic nature of "Gokulam Bueno." Sree Gokulam Gopalan, the esteemed Chairman of the Gokulam Group, lent his presence to the inauguration, elevating the significance of the event. His leadership and commitment to the initiative were evident, reinforcing the group's dedication to excellence and innovation in every endeavor. "Gokulam Bueno" stands out as an avant-garde venture with a clear mission — to provide nurturing care to newborns and infants. Central to this mission is the introduction of soft beds made from natural fibers. This choice reflects a commitment to the well-being of the little ones while embracing sustainability and eco-friendly practices. The incorporation of natural fibers not only ensures comfort but also aligns with the growing global consciousness regarding responsible and environmentally friendly business practices.

Visit to Geriatric Care Centre

The Geriatric Care Center at Sree Gokulam Medical College stands as a beacon of excellence in the realm of elderly care, having garnered widespread acclaim for its unwavering commitment to providing compassionate and comprehensive support to elderly individuals who find themselves without familial assistance. This specialized facility has become synonymous with a high standard of care, creating a nurturing environment that addresses the unique needs and challenges faced by the elderly residents. At the helm of this noble endeavor is Shri Gokulam Gopalan, the esteemed Chairman of Sree Gokulam. His profound dedication to the well-being of the elderly residents at the Gokulam Geriatric Care Centre is not just a professional

duty but a personal commitment driven by empathy and compassion. Recognizing the vulnerability of those who may be without family to look after them, Gopalan has made it his mission to ensure that they receive the care, attention, and respect they deserve in their golden years. On December 1, 2023, Shri Gokulam Gopalan made a routine visit to the Geriatric Care Centre, symbolizing his ongoing and hands-on involvement in the welfare of the residents. This visit was more than a mere formality; it served as a testament to his deep-seated commitment and genuine concern for the elderly individuals under the care of the center. By actively participating in the day-to-day operations and interactions within the facility, Shri Gokulam Gopalan not only stays abreast of the center's activities but also fosters a sense of community and familial support among the residents.

Inaugural ceremony of new UG Course at Sree Gokulam College of Allied Health Science & Research

The inaugural ceremony served as a momentous occasion, signifying the initiation of a transformative chapter in education at Sree Gokulam College of Allied Medical Science and Research. Shri Gokulam Gopalan, the Chairman of Sree Gokulam Group, officially commenced the event at a noteworthy time of 11:45 PM. During his inauguration, Mr. Gopalan conveyed the significance of paramedical courses in the contemporary landscape, shedding light on their relevance and impact. He highlighted the proud achievement of having Sree Gokulam Group's students contributing to diverse regions globally, showcasing the success and reach of the educational programs. Mr. Gopalan also underscored the event as a golden opportunity

for students, emphasizing that it opens doors for employment prospects across various corners of the world. The participants, comprising both eager parents and enthusiastic students, were immersed in the vibrant atmosphere of the gathering. This was especially true for those who had embarked on their academic journey in the newly introduced undergraduate courses, namely BSc MLT, BPT, and BSc MIT. A key moment of significance during the ceremony was the enlightening and inspiring address delivered by Dr. Manojan KK, the distinguished Vice Chairman of Sree Gokulam Medical College. The entire event can be viewed as a symbolic initiation, marking the commencement of a promising educational expedition for the students and a significant stride forward for the field of allied health sciences. The tangible enthusiasm and support from both the leadership and the participants set the tone for a future characterized by academic excellence, professional competence, and global impact in the realm of allied medical science and research.

AVENOIR, Graduation Ceremony of 2023 Batch MBBS

AVENOIR, the Graduation Ceremony of the 2023 Batch of MBBS, unfolded as a monumental and poignant event, serving as the symbolic gateway for 168 medical students who embarked on the next phase of their professional odyssey on December 1, 2023. The auditorium buzzed with anticipation and pride as the graduates, having traversed the rigorous academic journey since their induction in 2017, prepared to transition into the noble realm of healthcare. The auspicious ceremony was elevated by the august presence of Shri Gokulam Gopalan, the Chairman of the esteemed Sree Gokulam Group, who assumed the role of the ceremony's presiding figure. His presence not only dignified the occasion but also added a sense of gravity and prestige to the proceedings, acknowledging the significant accomplishments of the graduating class.

The mantle of inaugurating the ceremony fell upon Dr. Thomas Mathew, a luminary in the field of Medical Education. As the Director of Medical Education, Dr. Mathew's participation lent an air of authority and academic eminence to the event, reinforcing the importance of the moment for both the graduates and the medical community at large.

Dr. Aswathy Sreenivas IAS, currently serving as the Sub-Collector of Trivandrum District, and distinguished alumna of Sree Gokulam Medical College, shared a nostalgic journey during her tenure as a medical student at the institution. In her illuminating keynote address, she not only delved into personal reflections but also provided valuable insights into the myriad opportunities available for medical graduates on a global scale, including the avenues within the civil service sector. Dr. Aswathy Sreenivas painted a vivid picture of her academic sojourn at Sree Gokulam Medical College, reminiscing about the formative years that shaped her into

the accomplished professional she is today. Her narrative, steeped in fond memories and academic milestones, served as both a testament to the institution's impact and an inspiration for current and future medical students. Beyond the confines of medical education, she broadened the horizon by shedding light on the diverse opportunities awaiting medical graduates not only in the national arena but also on the global stage. Her discourse touched upon the expansive possibilities for professionals in the medical field, encouraging aspiring doctors to explore avenues that transcend geographical boundaries.

Dr. Manojan KK, the Vice Chairman of Sree Gokulam Medical College, graced the ceremony with his distinguished presence, bestowing upon the event an additional layer of honor and distinction. The stage, symbolic of achievement and aspiration, was further adorned by the esteemed personalities who have played pivotal roles in shaping the medical education landscape. Among these luminaries were Dr. Chandramohan P, the venerable Dean Emeritus, whose wealth of experience and wisdom provided a guiding light for aspiring medical professionals. Dr. Lalitha Kailas, the erudite Principal, stood as a beacon of inspiration for the graduating class, embodying the ideals of leadership and scholarship. Dr. Rajan, the CRMI Coordinator, brought administrative acumen to the stage, ensuring the seamless orchestration of this grand academic spectacle. The apex of this memorable occasion was the individual acknowledgment of each student, as they stepped forward to receive their hard-earned certificates, a tangible testament to their dedication and perseverance. The solemn oath-taking ceremony that followed was not just a ritual but a sacred commitment, marking the moment when these graduates pledged their service to humanity and the medical profession.

The AVENOIR Graduation Ceremony of 2023 will linger in the annals of academic history, not merely as a celebration of academic accomplishments, but as a testament to the collective efforts and contributions of these

distinguished individuals who, through their roles and presence, elevated the event to a sublime convergence of academic excellence, mentorship, and aspiration. It stands as a

reminder that education is not just about acquiring knowledge but about instilling values and inspiring the next generation of healers and caregivers.
