

GOKULAM PEDICON 2026

The 12th annual CME of the Department of Paediatrics, Gokulam Pedicon , was conducted on 12th April 2026 at Sree Gokulam Medical College and Research Foundation. We were blessed by the presence of our respected Dean , DrChandramohan Sir who shared his valuable insights with the audience. The CME was attended by eminent academicians , seasoned clinicians and enthusiastic learners from across the state . The scientific program included topics that were useful for both the clinicians and post graduate students bridging the gap between evolving concepts and current practice. The topics and the conduct of the CME was well appreciated by the attending faculty and delegates.
